Berlin, March 6 .- A collision between the government and the reich stag over the government's demands for a large mayal credit for the purpose of increasing the naval strength of the empire is inevitable. The conensus of opinion is that there will be an early dissolution of the reichstag and an appeal to the country upon the question of the absolute necessity of strengthening the imperial navv.

London, March 8,-The St. James Gazette says it is rumored among persons within the ministerial circle that Mr. Chamberlain, colonial secretary. has sent an emphatic intimation to President Kruger of the South African republic, that the altens' act which has been in operation in the Transyant, is in concrevention of the provisions of the Landon convention of 1881 and must be withdrawn.

The Manchester towardian says the relations between Great Britain and the government of the Transvaul arvery much strained, and that Mr. Chamberlain if anxious that the incitable struggle between the two shall come as quickly as possible.

According to the Guardian, Gen. Lord Weiseley communicer-in-chief of the British army, is said to have estlmated that 20,000 British troops would be sufficient to conquer the Bours.

In the meantime it is understood that President Kruger of the Transvaal republic, is unmoved, and prepored to resist all interference on the part of Great Britian at all costs.
